

**REMARKS**

The following amendment is submitted under 37 C.F.R. § 1.312. Upon entry of the foregoing amendment, claims 19-20, 30-31 and 33 are pending in the application. Claim 33 is amended herein.

Applicants respectfully request entry of the above amendment and submit that the above amendment does not constitute new matter.

In an Examiner's Amendment included with the Notice of Allowability mailed November 15, 2004, claims 32 and 34 were cancelled and claim 33 was amended. The purpose of the Examiner's Amendment was to delete the term "corn oil" from the clause at lines 5-6 of claim 33. The Examiner's Amendment stated that the term "corn" appeared on line 9. However, the line number 9 referred to in the Examiner's Amendment does not exist. Therefore, Applicants submit amended claim 33, deleting the term "corn oil" from claim 33. The changes in the above amendment are shown relative to claim 33 as it existed prior to the Examiner's Amendment. The above amendment could not have been presented earlier since it responds to the Examiner's Amendment and does not raise any substantive issues as it merely corrects an informality in the Examiner's Amendment.

In view of the above claim amendments and remarks, early notification of a favorable consideration is respectfully requested. The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment, to Deposit Account Number 50-0206.
